Baby Costs Too Much SATURDAY EVENING, JAN. 16, 1904.

When the price paid is the mother's health and happiness. The father doesn't realize as he romps with the child what years of wifely suffering must be set against the baby's laughter. Chronic invalidism is a high price to pay for the painful joy of maternity, yet it is at such a cost that many a woman becomes a mother. Such a price is too much because it is more than nature asks. By the use of Dr. Pierce's Favorite Prescription maternity is made practically painless, and a quick convalesence is assured in almost every case.

\$500 Reward for Women Who Cannot be Cured.

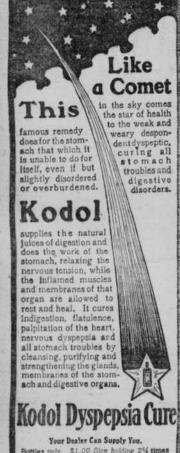

prietors and makers of Dr. Piere

The proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorthea, Female Weakness, Prolapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

"There are thousands of sick women dragging out a weary, miserable existence, who would be well and happy did they but have my experience with Dr. Pierce's Favorite Prescription, writes Mrs. Annie Lenman, Lady Commander Star of Bethlebem, Lodge No. 27, of 106 Jackson Street, Atlanta, Ga. "Four years ago I was nearly dead with inflammation and ulceration. I endured daily united sagony, and life was a burden to me. I had used medicines internally and externally until I had made up my mind that there was no relief in sight for me. A friend of mine endorsed your 'Pavorite Prescription, and I determined then to give it a trial. It took patience and perseverance for I was in a had coudition, and had to use your medicine for nearly four months before I was cured, but what a change it brought; from despair to happiness from misery to the delightful, ashilarating feeling that only health brings. I would not change back for a thousand dollars. Your 'Prescription' is a grand medicine. I wish every sick woman would only try it and be convinced." for a thousand dollars. Your 'Prescr is a grand medicine. I wish every si an would only try it and be convinced."

Dr. Pierce's Pavorite Prescription con-tains no alcohol and is entirely free from opium, cocaine and all other narcotics. The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is

our loss; therefore, accept no substitute. Dr. Pierce's Pellets regulate the bowels.

RECONCILED IN HOSPITAL.

A young widow will soon be discharged from the Somerville hospital at Boston who was reconciled to her husband while be was lying on his death bed in the same institution and suffering from the same ailment from which she is now practically recovered. The woman is Mrs. Emma Lawrence, and her husband was Peter A. Lawrence. They were married about two years ago, but had separated several months ago. awrence was entered at the hospital be fore her husband. Her symptoms led to the diagnosis of appendicitis, but an operation was not deemed immediately necessary, and she was placed on a diet preparatory to it. On January 3d, Peter Lawrence, her husband, was taken to the hospital as an emergency patient. He was suffering acutely from appendicitis, and an operation was performed on him that night. It became known to the hospital authorities that the man and woman were husband and wife, and they were asked if they cared to see each other. Both replied in the affirmative. Accordingly, an hour before the time scheduled for administering ether to the woman in the operating room, Mrs. Law-rence was wheeled to the bedside of her husband. He was unable to sit up. The scene was very affecting. Tears cann from the eyes of each. They conversed together until it was time for Mrs. Lawrence to go to the operating table. She was successfully operated upon, and is now convales ent. Mr. Lawrence died the following day.
